

International

Aim: Be able to explain how the lives of people in 1 country are affected by the activities of other countries.

- 1) Create a postcard which advertises a tourist attraction in either your home, host or adopted country.
- 2) Research famous artists from around the world and find out if any of their work influenced another artist from a different country (and how)

International

Aim: To identify cultures different from, but equal to, our own.

Find the top ten tourist attractions in the world and collate them into one picture, add a top Vietnam tourist attraction.

*Complete
one International,
one Subject, and one
Personal Learning Task*

Home Learning

Personal learning

Adaptability:

Create a picture using one type of media, then create the same one in a totally different style and medium.

Enquiry:

Research one artist and make a poster of his or her work. Include a piece of your own work in that style.

Geography

Aim: To identify key geographical features.

Research "coastal landforms" and make a web page showing postcards of the various features on British Coasts.

Art

Aim: Create art in various mediums and styles based on observations.

Research the graffiti art of Bristol in England. Create an arty webpage showing the top ten graffiti.

Technology

Aim: To choose appropriate software for a particular job.

Find a "line art" app, such as xgimp and create a picture on it.
